

Crazy Sauce

Short Description

NEW AND IMPROVED FLAVOR!

Crazy Sauce is a single dose tasty drink that contains either 40mg or 80mg of hemp derived delta 9 THC along with other cannabinoids that give the user 4 hours of a sativa like up, followed by 4 hours of an indica like down. It is equivalent to taking 4 of our hemp derived gummies, but is still < 0.3% THC making it Federally compliant.

Description

NEW AND IMPROVED FLAVOR!

Crazy SauceTM is a single dose drink that contains 40mg of hemp derived delta 9 THC along with other cannabinoids. This proprietary blend gives the user 4 hours to a sativa like up, followed by 4 hours of an indica down. The total duration last up to 8 hours. Onset of effects takes 1 to 2 hours. The best way to take the product is on an empty stomach. Taking it on a full stomach will delay the onset. One Crazy Sauce bottle is about the equivalent to taking 4 of our gummy squares. Taking this product may lead to a failed drug test. Avoid driving or operating heavy machinery while taking this product.

Sold in cases of 12 bottles only. Available in lemonade or fruit punch flavor.
